## **Item 1.01 Entry into a Material Definitive Agreement**

### ***Asset Purchase Agreement***

Effective October 8, 2018, Green Plains Partners LP (the “Partnership”) entered into an Asset Purchase Agreement (the “Purchase Agreement”) with its parent Green Plains Inc. (“GPPE”), Green Plains Bluffton LLC (“Green Plains Bluffton”), Green Plains Holdings II LLC (“Green Plains Holdings II”), and collectively with GPPE, Green Plains Bluffton and Green Plains Holdings II (the “GPPE Buyers”), Green Plains Holdings LLC, the Partnership’s general partner (the “General Partner”), Green Plains Operating Company LLC, a wholly owned subsidiary of the Partnership (the “Operating Company”), Green Plains Ethanol Storage LLC, a wholly owned subsidiary of the Partnership (“Green Plains Storage”), and Green Plains Logistics LLC, a wholly owned subsidiary of the Partnership (“Green Plains Logistics” and collectively with the Partnership, the General Partner, Green Plains Storage and the Operating Company the “Partnership Parties”), pursuant to which the GPPE Buyers agreed to purchase certain ethanol storage assets located in Bluffton, IN, Lakota, IA and Riga MI (the “Storage Assets”) from wholly owned subsidiaries of the Partnership (the “Transaction”) for consideration of \$120.9 million. The Partnership will receive approximately 8.9 million units owned by Green Plains Inc. as payment for the transaction and the parties have agreed to enter into a 3 year extension of the Ethanol Storage and Throughput Agreement with Green Plains Trade Group LLC. In addition, approximately 525 railcars of the 3,500 railcars managed by the Partnership are anticipated to be conveyed to GPPE.

The Storage Assets consist of the ethanol storage assets to be disposed of in GPPE’s sale of three ethanol plants from GPPE to Valero Renewable Fuels Company, LLC (“Valero”) as part of the Asset Purchase Agreement entered into on October 8, 2018. The Purchase Agreement provides for the closing of the Transaction to occur immediately prior to the GPPE Buyer’s sale to Valero.

Pursuant to the Purchase Agreement, and subject to certain limitations, the Partnership Parties and the GPPE Buyers agreed to certain indemnification provisions with each other and their respective affiliates.

The foregoing description of the Purchase Agreement is not complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is filed as Exhibit 2.1 to this Current Report on Form 8-K, and is incorporated into this Item 1.01 by reference.

### ***Relationships***

Each of the parties to the Purchase Agreement is a direct or indirect subsidiary of GPPE. As a result, certain individuals, including officers of GPPE and officers and directors of the General Partner, serve as officers and/or directors of one or more such entities. GPPE and an affiliate currently (as of the date of this Current Report on Form 8-K) beneficially own 20,279,284 common units of the Partnership, collectively representing a 62.4% limited partner interest in the Partnership as of October 8, 2018. GPPE also owns a 2% general partner interest in the Partnership and all of the Partnership’s incentive distribution rights through its ownership of the General Partner.

The terms and conditions of the Purchase Agreement were approved on behalf of the Partnership by the conflicts committee and the board of directors of the General Partner. The conflicts committee, which is comprised of independent members of the board of directors of the General Partner, retained independent legal and financial advisors to assist it in evaluating and negotiating the Transaction. In approving the terms of the Transaction, the conflicts committee based its decision in part on an opinion from the independent financial advisor that the consideration to be paid by the Partnership Parties pursuant to the Purchase Agreement is fair, from a financial point of view, to the Partnership and the common unitholders (other than GPPE).

**Item 7.01. Regulation FD Disclosure.**

On October 8, 2018, the Partnership issued a press release announcing the Transaction. A copy of the press release is being furnished as Exhibit 99.1 hereto and is incorporated by reference herein.

The information furnished pursuant to Item 7.01, including Exhibit 99.1, shall not be deemed to be “filed” for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended, is not subject to the liabilities of that section and is not deemed incorporated by reference in any filing by the Partnership under the Securities Act unless specifically identified therein as being incorporated therein by reference.

**4.4 Redeemed Units.** As of the date hereof, Green Plains is the direct record and beneficial owner of the Green Plains Units and the GP Interest, and, after giving effect to the Redemption, will be the direct record and beneficial owner of 8,585,037 Green Plains Units and 472,198 GP Units. Upon delivery of the Assets at the Closing as consideration as provided for in Section 2.2, Green Plains shall deliver the Redeemed Units to the Partnership free and clear of all Liens. None of the Redeemed Units are subject to any voting trust or other contract, agreement, arrangement, commitment or understanding, written or oral, restricting or otherwise relating to the voting or disposition of the Redeemed Units, other than this Agreement and the organizational documents of the Partnership. No proxies or powers of attorney have been granted with respect to the Redeemed Units, other than proxies or powers of attorney that (a) would not reasonably be expected to impair the ability of Green Plains to deliver the Redeemed Units to the Partnership pursuant to this Agreement and (b) would not apply to the Redeemed Units after the delivery of the Redeemed Units to the Partnership pursuant to this Agreement. Except as contemplated herein, there are no outstanding warrants, options, agreements, convertible or exchangeable securities or other commitments pursuant to which Green Plains is or may become obligated to transfer any of the Redeemed Units, except as (x) would not reasonably be expected to impair the ability of Green Plains to deliver the Redeemed Units to the Partnership pursuant to this Agreement and (y) would not apply to the Redeemed Units after the delivery of the Redeemed Units to the Partnership pursuant to this Agreement.

**ARTICLE V.

**5.2 Independent Investigation.** Each of the Parent Parties acknowledge that in making the decision to enter into this Agreement and to consummate the transactions contemplated hereby, Green Plains has relied on both its own independent investigation of the Assets and the express written representations, warranties and covenants in this Agreement and that the Assets are being purchased on an as-is, where-is basis. Without diminishing the scope of the express written representations, warranties and covenants of the Parties and without affecting or impairing its right to rely thereon, THE PARENT PARTIES ACKNOWLEDGE THAT SELLERS HAVE NOT MADE, AND SELLERS HEREBY EXPRESSLY DISCLAIM AND NEGATE, ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, RELATING TO THE ASSETS (INCLUDING, WITHOUT LIMITATION, ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR CONFORMITY TO MODELS OR SAMPLES OF MATERIALS), OTHER THAN THE REPRESENTATIONS AND WARRANTIES IN THIS AGREEMENT.

**5.3 Post-Closing Payments.** Should Sellers or any of their respective Subsidiaries, after Closing, receive any payments related to the Assets to which the Parent Group is entitled pursuant to this Agreement, then Sellers or their applicable Subsidiaries shall, within thirty (30) days of receipt of such payments, forward such payments to Green Plains. If any demand is made on Sellers or any of their respective Subsidiaries after Closing to pay any invoice or other obligation contracted or incurred in connection with the ownership of the Assets on or after the Effective Time, Green Plains shall pay the same to the extent such invoice or obligation constitutes an Assumed Liability. If any demand is made on Green Plains or any of its Subsidiaries to pay any invoice or other obligation contracted or incurred in connection with the ownership of the Assets prior to the Effective Time, Sellers shall be responsible for the same.

**5.4 Further Assurances.** From time to time after the Effective Time, and without any further consideration, the Parties agree to execute, acknowledge and deliver all such additional assignments, bills of sale, conveyances, instruments, notices, releases, acquittances and other

documents, and to do all such other acts and things, all in accordance with applicable law, as may be necessary or appropriate (a) more fully to assure that the applicable Parties own all of the properties, rights, titles, interests, estates, remedies, powers and privileges granted by this Agreement, or which are intended to be so granted, (b) more fully and effectively to vest in the applicable Parties and their respective successors and assigns beneficial and record title to the interests sold and assigned by this Agreement or intended to be so sold and assigned (including any actions required to effect the assignment and conveyance of the Assets as of the Effective Time, and (c) more fully and effectively to carry out the purposes and intent of this Agreement.

#### **5.5 Tax Covenants.**

(a) Sellers and the Parent Group agree to furnish or cause to be furnished to the other, upon request, as promptly as practicable, such information and assistance relating to the Assets (as available or within Sellers' or the Parent Group's control, as applicable), including access to books and records, as is reasonably necessary for the filing of all Tax Returns by Sellers or the Parent Group, as applicable, the making of any election relating to Taxes, the preparation for any audit by any taxing authority and the prosecution or defense of any claim, suit or proceeding relating to any Tax. Each of Sellers and the Parent Group shall retain, or cause to be retained, all books and records with respect to Taxes pertaining to the Assets for a period of at least seven years following the Closing Date. Each of Sellers and the Parent Group shall promptly notify the other in writing upon receipt of notice of any pending or threatened Tax audit or assessment challenging the Allocation.

(c) Any Property Taxes paid at or prior to Closing shall be prorated based upon the amounts actually paid. If any Property Taxes due and payable during the year of Closing have not been paid before Closing, Sellers shall be charged at Closing an amount equal to that portion of such Property Taxes which relates to the period before Closing, and the Parent Group shall pay, or cause to be paid, such Property Taxes prior to their becoming delinquent. Any such apportionment made with respect to a Property Tax year for which the Property Tax rate or assessed valuation, or both, have not yet been fixed shall be based upon the Property Tax rate or assessed valuation fixed. To the extent that the actual Property Taxes for the current year differ from the amount apportioned at Closing, the Parties shall make all necessary adjustments by appropriate payments between themselves within thirty 30 days after such amounts are determined following Closing. The Parent Group shall pay all supplemental Property Tax resulting from the change in ownership and reassessment, if any, occurring as the result of the Closing pursuant to this Agreement.

## **Green Plains Partners to Sell Ethanol Storage Assets to Green Plains Inc.**

**OMAHA, Neb. Oct. 10, 2018 (GLOBE NEWSWIRE)** – Green Plains Partners LP (NASDAQ:GPP) and Green Plains Inc. today announced that it has reached an agreement to sell its storage and transportation assets and transfer railcar leases associated with the Lakota, Iowa, Bluffton, Ind. and Riga, Mich. ethanol facilities to Green Plains Inc. for \$120.9 million. These three plants account for 280 million gallons of nameplate capacity, or approximately 20% of Green Plains Inc.'s reported ethanol production capacity. In addition, approximately 525 of the 3,500 railcars managed by Green Plains Partners are anticipated to be conveyed to Green Plains Inc. Green Plains Partners will receive 8.9 million units owned by Green Plains Inc. as payment for the transaction and has also entered into an amendment with Green Plains Trade Group LLC to extend the Ethanol Storage and Throughput Agreement for three years.

“As we indicated in May, our goal was to maintain our distribution and coverage ratio from any Green Plains Inc. divestment transactions and we did not want it to be dilutive to the Partnership,” said Todd Becker, president and chief executive officer of Green Plains Partners. “While we anticipate a reduction in cash flow to the Partnership of approximately \$14.6 million, the reduction in units owned by Green Plains Inc. decreases the future distributions payable by approximately \$17 million based on the current \$1.90 per unit annual distribution, making this transaction accretive to the Partnership unitholders. The Partnership is in a solid position to grow with availability under its credit facility and a renewed focus on expanding our footprint in the terminal business.”

The quarterly minimum volume commitment associated with the storage and throughput services agreement will be 235.7 million gallons or, approximately 80% of the new Green Plains Inc. annual production capacity of 1.183 billion gallons. In addition, the Partnership and Green Plains Inc. agreed to extend the storage and throughput services agreement an additional three years through June 30, 2028.

The transaction is anticipated to close during the fourth quarter of 2018 in conjunction with the completion of the Green Plains Inc. ethanol asset sale. The purchase agreement is subject to customary closing conditions and regulatory approvals.

The terms of this transaction were approved by the board of directors of the general partner and the board of directors' conflicts committee, which consists entirely of independent directors. The conflicts committee engaged Evercore to act as its independent financial advisor and Baker Botts to act as its legal counsel.
